Principles of Design

Name:_____

Instructions: In order to create art, it's important to apply the Principles of Design. Use the spaces below to practice a technique of each of the principles combining the Elements of Art. Be creative and have fun!
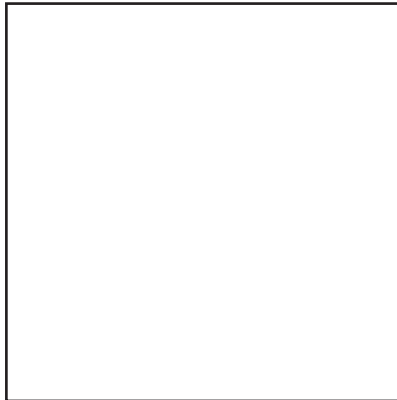

Balance
Draw a picture where both sides are symmetrical

Contrast
Draw a picture of opposite elements (light/dark)

Emphasis
Draw a picture with a center of interest/focus point

Movement
Draw a picture that has recurring elements to direct your eye from one spot to another
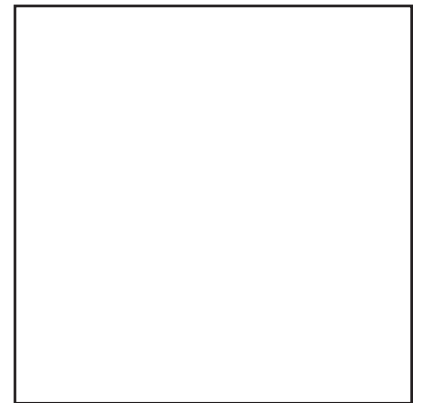

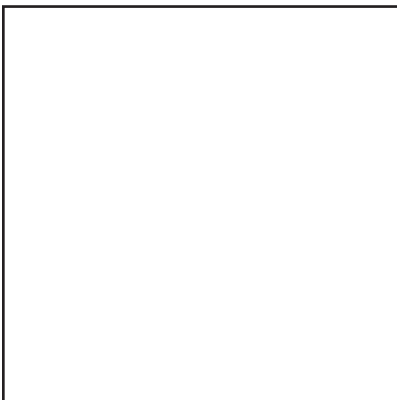

Pattern
Draw a picture that uses repeated shapes

## Unity
Draw a picture that everything works together

Scale
Draw a picture where size of the element changes

Harmony
Draw a picture where the parts make a whole

Variety
Draw a picture that has different elements
