Louise Bourgeois

Born in Paris, France on December 25, 1911

She formed her first sculptures as a child out of bread.

Was famous for her art later in her life.

1990 Spider Series

"The spider is an ode to my mother...because my mother was as smart, patient, clean and useful, reasonable, essential as a spider."

Maman - Fun Facts

Maman is also the French word for 'Mom'

One of many spiders in a series from 1990

Maman is the only one made of steel

Vocabulary: Scale - The size of one item compared to another.

Scale refers to the overall physical size of an artwork or objects in the artwork. We always relate scale to the size of the human body - how big or small the piece is in relation to us.

## National Visual Arts Standards for 1st Grade

Project:

1. Cutting - Printed card stock template
2. Folding - Accordion Fold each leg of the spider  
TEXTURE can be applied by folding the legs  
Bend the paper then slide your finger across to press the fold  
Flip the leg over and press and slide  
Repeat to the end of the leg or paper strip
3. Gluing - 8 legs to bottom of the spider (NOT where the eyes are)  
Hint: Glue a + then glue an x filling in the spots in between the x
4. Write - Name on the same side glue spider legs  
Add a project sticker over the legs by your name

Lesson Closure:

1. Louise Bourgeois loved her mom's encouragement to make art and used a spider to represent her.
2. Scale was applied to the 10-meter high (32 feet) sculpture.
3. We applied TEXTURE to our 8 spider legs by using an accordion fold.
